

KHOLOCARE
DETOX
PRE SHAMPOO TREATMENT

KholoCare
— MADE IN ITALY —

Made In Italy
500ml e 16.9 fl.oz.

A detoxifying pre-shampoo treatment for stressed, oily or dandruff-prone scalp and hair. Restores the natural biological equilibrium, eliminating pollutants and impurities that bind toxins that suffocate the scalp, restoring proper blood circulation promoting oxygenation and nutriment to the hair follicles. It has anti-inflammatory, antioxidant, antiseptic and constricting properties while leaving a fresh cooling effect.

METHOD OF USE: Apply to warm damp scalp and hair, massage delicately to distribute evenly. Leave in pose 3-5 minutes, add and apply shampoo, massage and rinse.

Aloe Barbadensis Leaf Juice combats excessive oil build-up and dandruff on the scalp and eliminates bacteria. With its enzymes it moisturizes the hair and promotes hair growth. For baldness, the Aloe juice eradicates any problems of the scalp and acts as a conditioning agent.

Jojoba oil is rich in vitamins and minerals that nourish hair, including vitamin C, B vitamins, vitamin E, copper, and zinc. Because it strengthens hair, it is also thought that jojoba oil can prevent hair loss and promote hair thickness. The oil can also moisturize the scalp and may be a dandruff remedy.

Hydrolyzed Collagen is a structural protein that provides Amino Acids that can be used to build hair. It helps fight damage to hair follicles. Collagen can act as an antioxidant and fight damage caused by free radicals. May prevent hair thinning associated with aging while stimulates hair growth, clears up dermatitis, and strengthens hair and nails.

Hydrogenated Castor oil pressed from the castor bean in shampoo adds amino acids and moisture to soften hair. It promotes hair growth, thickens hair and reduces, prevents and helps to hide damage. Castor oil is a natural method that helps your hair to grow healthier and thicker.

Menthol Crystals contributes a cooling sensation to the skin, calms irritation, itching, and burning, eliminates blackheads and whiteheads, diminish the appearance of dark spots and age spots, and promote clearer skin.

Polyquaternium-10 can reduce static electricity. It enhances the appearance and feel of hair, by increasing hair body, suppleness, or sheen, or by improving the texture of hair that has been damaged physically or by chemical treatment.

Polyquaternium-7 imparts a smooth velvety feel and improves slip and moisturization, it also improves wet combing and detangling of hair due to its strong antistatic properties. It Provides rich, creamy foam to shampoos and shower gels with no build-up effect.

Menthyl lactate is derived from menthol, a compound that comes from peppermint oil that has a natural cooling effect, which makes it useful as a topical analgesic to treat skin irritation, pain, itching or sunburn.
